

09/01/2025

Hello Family and Friends,

Fall is here! Please bring in warm clothes and put away the summer clothes. We love for our residents to be warm and cozy! Come join us for the fun activities we will be having for Assisted Living week! Attached is the weekly calendar!

The house doctor is in every Wednesday and if you would like to meet, set up a meeting and learn more about her and her services please let us know. We will get that set up for you. The house pediatricist is another service offered. He comes into the facility every 90 days. If this is something you're interested in, please let me know. We will also get you signed up for this. There are many services we can get if you feel there is a need. Physical therapy, occupational therapy, speech therapy, wound care, Nursing, and hospice are just a few services. We have information for many services to keep your loved ones strong, happy and healthy.

We are doing a Candy donation for October 25th's trunk or treat! Please drop off any goodies to the drop box in the office at any time.

Thank you for sharing your loved ones with The Horizon Family.
